

BLACKSTAR

From A to B with style

# Experience the new generation

Ride with outstanding comfort and high quality every mile of your journey.

Always arrive in style and have a better and safer trip with the all new technology features, inside and out.

Silent as the night, fast like a shooting star.

High-performance electric motorcycle built to impress.

Show the world that you are special even if it's on your way to work or when you're cruising down to a night at the opera.

From 1897 to the future.  
BLACKSTAR is the new generation  
of the Oldsmobile family that  
takes you from A to B with style.
